The **Central City Association**, **Metro Charter Elementary**, and **Miyamoto Relief** have teamed up to host an inspiring community fundraising initiative called **Night of 1,000 Drawings**. We are asking the entire L.A. community to 'doodle for a difference' - draw anything, with anything, on anything measuring 6 x 8. All donated doodles will be exhibited at a one-night-only art exhibition and sale, which will take place on March 22, 2018, from 5-8pm, at the Globe Theatre.

To keep the event accessible to all, tickets are only \$30. All attendees will get to choose a doodle to take home, participate in a silent auction, and be entertained by award-winning musicians. All proceeds go directly towards
